

Amos Youth Centre

My name is Eris Mwanza. Am a girl aged 17. We are three in our family. one boy and two girls. Am doing my grade eleven (11) at ~~Harbour~~ Hill School. Am the only one who is going to school. we face a lot of problems in the support to school but my grand mum she has helped me to go to school while she is not working. when both died I did not go to school but with the help of my grand mum. She has myeb a little.

I was happy when I heard that Amos Youth Centre is enrolling youths. So even me I was enrolled. I will become happy because Amos Youth Centre will be paying for me. Since education is important to me so that I can become a good citizen and better person in life.
