My name is eventy mangga am a zambian girl aged 16 am doing grade nine at shinoswe basic school I stay in Kafue green field I would like to thank the Amos youth centre for support it was very difficult for me ^{since} I lost my dad last year on 20th september but am staying with my mother she is doing nothing but I hope that through your support I will finish education you made us happy for ^{the} snacks that you offered the all group was very happy we appreciate you for every thing you offered. Education is important to me because education is the key to succes it also teach us how to protect our self from getting HIV and aids as a youth may the lord richly bless forever

Yours
