My name is Mercy Malwa and am 18 years old. I am currently doing grade eleven at Dabayo High School in Kapur. I live with my mother who struggles each and every day to find for us with her small business. My father who was the bread winner of the family passed away on February 14<sup>th</sup> 2024 and since then my school has been disturbed.

I came to learn of the AYC just recently and since then, I have been amazed with their work in the community. Their great commitment has made me realize that I am loved and I can still achieve my goals of becoming someone in society. So, I really thank God for the AYC, because I am now hopeful that I will finish school.

yours sincerely  
Mercy Malwa.

Dir: I really want to say thanks for the snacks and the drinks that you provided to us during our meeting. It was really a nice Christmas gift for me because it meant alot.
