

AMOS YOUTH CENTRE

My name is Rajab I am a male aged 17. I am at Nabaye High school doing my 11th grade. I am appreciating the services been given to me by Amos youth centre I have been having difficulties in paying my school fees because my father died 7 years ago life has been so hard these days but I think with the sponsorship which I will be given I will be able to go to studies without thinking of who will buy me school materials or pay fees for me. My mother has also been looking for money for me and my brothers and sisters. I also stopped school for a while due to lack of funds even though I am near to the completion point I wrote my last two exams in 2003 and 2005 I proved myself to be hard working because I passed all of them without an abstract.

I while ago I was worrying about how will I finish my school but with the help of NYC I have the hope of completing my school. The NYC has also changed my life in a way that we are also taught to stay away from alot of bad behavior's and how to stay healthy.

My mother has also appreciated the help been given to me and she has hope of me finishing school my your help be so much appreciated may God bless you and your colleagues.

yours faithfully
Rajab.
