Kafue

17th October, 2008

Hi Dear

My name is Capras Chibandika, I'm a 16 year old boy boy. How are you there. I just hope you are very fine as well here as we are beat fine.

am a young boy who is struggling looking for the sponsor. who can sponsor me at school my father died in the year 2006 on 19th March.

I live with my mother in Kalundu view at Kafue. My mother can not manage to sponsor me at school. She is not working and she not doing any business and am a first born in the family one boy two girls together we are four

as well last year we had a lot of rain as the result farming was not good and we had floods in valleys places. our weather here know is too hot and there is wind in form of dust

by 27 November 2008 when mangoes will read to eat and we use to eat mangoes when we are cultivating and we have too much mangoes here at Kafue, my abition is to be a pilot
