

Dear Sir/madam

Ref: Application for Sponsorship

My name is Christine Nanyangwe, I am a Zambian female aged 13. I am ~~single~~ ~~Have~~ Both my parents are alive but are unable to meet my school requirements, because both are not working.

In my family we are 6 and I am the fourth child. I am in Grad 7 at Shikozwe Basic School

When I grow up I want to be a Doctor. Why I want you to sponsor me is so you can help me to meet my school requirement. I want to continue going to school so that I can have good future and good job. If my application is accepted I will never disappoint you. I will always get good results.

Yours

faithfully faithty

Christine Nanyangwe
