## APPLICATION for SPONSORSHIP

Dear AEP

Hi

My name is Agness M'shanga I was born in 1996 23<sup>rd</sup> February and in grade seven at Shikoswe Basic school, and am the last born in our family we are two girls and they were four boys but the first born died long time ago so now we are five two girls three boys.

When my father died long time ago I was too young I don't even know how my father looks like, and when my mother died I was five years old but am able to remember her face. When I became an orphan I went to Masama to stay with my Aunt the sister to my mother, again an unfortunately she died, and the husband to my Aunt paid school fees for me ~~up~~ from grade 1 up to grade (5) five, again an fortunately the husband to my Aunt ~~did~~ stopped working, but the second born in our family ~~she~~ started working the job known as doctor, but I can like to be sponsored because my brother have got many people to support, like my sister ~~she's~~ in grade ten ~~my two~~ brothers in the village and many other relatives they are all being supported by my brother, so may be you ~~to~~ can have the mercy of supporting me.

FROM

Yours faithful

Agness
