AN APPLICATION FOR SPONSORSHIP

Dear Sir/Madan

I'm here by applying for Sponsorship at amos youth center. I'm a girl aged 13 at Shikoswe basic school doing my grade seven. I would like you to sponsor me for my education because right now I have no one to pay me money for my education.

Due to this reference above I will highly appreciate if my application will be considered. Please I want to complete my school and I am a sickle cell patient. I will be very happy if you start sponsoring ~~me~~ ~~and~~ my education.

Yours Sincerely
AGNESS PHIRI
