APPLICATION FOR SPONSORSHIP (2010)

My name is Chileshe Mubanga, am the last born from the family of six. I am 18 years old and am doing grade 11 this year. Next year i'll be completing my secondary level which is grade 12, and when i finish school i want to do engineering.

I am a sponsored member of the Amos youth center. Am kindly asking for your sponsorship next year, because no one can pay for my school fees next year year apart from you. You are the only people that have helped me to be at school. No one in my family is working to help me paying the school fees, and am the only person who can help my family when i start working.

Thank you very much for everything that you are doing for me, and please you are the only people who can help me achieve my goals by sponsoring me at school. May God bless you all for what you are doing to me, be blessed and stay blessed all.

Yours faithfully
Chileshe Mubanga.
