Dear AEP

My name is Emelia Mwanza. I live in Shikoose and am in grade nine. I am 15 years old. I live with my father and my brothers and sisters. My daddy used to work at ATZ and my mother died in 1997. She was in a road accident, by that time life has been difficult for me. I am in grade nine and next year I will be in grade ten and I have no one to pay for my school fees. My father stopped working since 2006 and life is not easy with me as our forefathers say education is the key to success and I know am the today's children and tomorrow's leaders but I have no one to pay my school fees so am kindly asking for sponsorship. I know about the Amos youth centre because of my kindly neighbours and who are Kapeya and her mother. So am kindly asking for sponsorship. The subject which I perform the most in school is civics and am doing not so bad in all school studies.

I am applying for 2010 sponsorship because I have no one to pay for my school fees and that can lead me in one situation which I will never like in life and that is stopping school at my younger age. I am applying for sponsorship from anyone, anywhere to be my beloved sponsor.

My last words but not the least is that am kindly asking for sponsorship from anyone and I will be thankful enough for sponsoring me. Let the spirit of our belovedavior who died on the cross of cowardly and that is our belovedavior Jesus christ be with you all, Amen.

Yours

Faithfully

Emelia Mwanza
