RE: APPLICATION FOR SPONSORSHIP

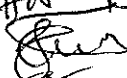

With reference to the subject above I would like to apply for Sponsorship.

I am a Zambian citizen a holder of a green national registration card. I completed grade 12 in 2021 at Chipata Day in Eastern Province of Zambia.

I am a single orphan, I lost my father in 2000 when I was doing grade 11. From that time life has not been easy for me. My uncle who also tried to help he was an able to because he had his children and not in formal employment. He are four and I'm the only boy.

I had started doing accounts which I did not complete due to financial difficulties. I am humbly requesting your good office to consider my application. I would like to ~~continue~~ continue my education.

Your response to this application will be highly appreciated

Yours faithfully
JOHN BANDA
