

Dear AEP

My name is Prisca Lubingu, I am the eleventh born in the family of 12. I am doing my grade eight at Holy Saviour Community School. I live with my mother here in Shikoswe.

I once had a father but he passed away in 2001 from that time life has been so hard I am some times chased from school most of times because my mother can't afford to pay my school fees.

I knew about AYC through a member of IC. She told me about what Amos youth center is all about.

I will be very happy if you can only sponsor me so that I can finish school and help my family and other people in my community. Next year in 2000 when I will be in grade (9) nine.

Yours faithfully
Prisca Lubingu
