DEAR SIR/MADAM,

REF: APPLYING FOR THE SPONSORSHIP,

I'm Lloyd C. Silumbwe aged 21 years & And having completed Grade 12 level at Mbala High School in the year 2007. I'm a Zambian Citizen by Nationalist. I'm a new member at Amos Youth Centre who is a single orphan. Having ^{only} my mother. Indeed I'm an active member at this Centre and therefore I can do ~~different~~ different activities. I hadly had to miss there at any time. Even since I came to discover that there is Amos Youth Centre I was very happy. Therefore I highly appreciate a person who initiated this program that I could have a chance to apply.

However, the main purpose of having written this; is that I'm actually applying ^{for} the sponsorship. In addition to this my mother can not afford to take me to college that is why I have applied this application to you in order that you can sponsor me.

Finally, I would be ~~the~~ exceedingly happy ~~for~~ receiving the sponsorship.

Yours Faithfully

LLOYD C. SILUMBWE
