

Dear AEP

My name is Madalitso Banda, I am a girl aged of 17. I am a second last born in a family of 10. I am in grade nine at Holy Saviour Community School. I live with my mother here in Mawundu view.

I once had a father, unfortunately he past away. This was in 2007 when I was in grade seven. I qualified to be in grade eight last year in 2008. I got 711. I ~~was~~ surpassed, I came out number 8 at our school. Although I passed I had no one to take me to school. During grace period I had to look for some prece works for me to be untouled in school.

When I was untouled, I met my friend who was sponsored at amos youth center is the one who introduced this to me. After that I also stated coming here since last year. I am requesting for sponsorship for next year when I will be in grade 10. If you can hear my request and start sponsoring me until I finish my school I can be very happy because I will forget about the past and help other people.

Yours sincerely

MADALITSO BANDA
