Dear AEP

REF: APPLYING FOR A SPONSORSHIP

With reference to the above stated issue I'm here by applying for a sponsorship. I came across AEP at Amos Library where I am a regular member because I love school and I would love to study hard so that I can be somebody in future. While studying I heard that you sponsor some pupils so that they can finish their education.

I am a Zambian girl aged 19 years old. I was born on 8<sup>th</sup> September 1990. I'm in grade eleven next year in 2010 I will be in grade twelve (12), my <sup>hobbies</sup> ~~applying~~ are dancing, singing, running and swimming and my ambition is to become a nurse so that I can save many souls.

I am applying for a sponsorship because my parents are ~~struggling~~ <sup>struggling</sup> to find my school fees, mum she not working she is just a marketeer and my dad his working in vic-2 he is not getting paid every month, he gets paid maybe after 4 months and we are many who suppose to be payed for school fees. Now be very gratefull if you accept my application

Yours faithfully

Muwana
