Dear A.E.P

RE: APPLICATION FOR SPONSORSHIP.

I'm MISA SAILI a zambian female aged 15, applying for the above mentioned subject.

Am doing my grade nine(a) at Shikoswe basic school and i'll be in grade ten next year. I live with my mother who provides shelter and food for me, apart from school she can't afford to pay for my school fees because she doesn't work. That is why am applying for sponsorship from the A.E.P.

Am a cool girl, I love being around people, I hate people who are selfish and love people who love and support me.

my hobbies are swimming, dancing, singing, listening to music, going to church, making new friends and visiting new places.

I will patiently wait for your response and your response will be highly appreciated

yours faithfully

~~Misa~~
