Dear sir / madam

RE: APPLICATION For sponsorship

I wish to apply for sponsorship so that I can continue with my Education and become a good Citizen

My name is Moses Mumba I am 15 years old and I am doing my grade eight (8/11) hoping to become a medical doctor when I ~~am~~ complete school.

I am coming from a family of four, three boys and one girl and we are all in school. We like school very much I am the first born in family and my parents are not able to sponsor me to school because they are not working

I stay with Aunty who has a large family it is for this reason that I am asking for sponsorship

I look forward for sponsorship

Your help will be appreciated

Yours sincerely
MOSES MUMBA
