

Dear AEP

Hai, how are you by this moment? I hope you are fine. But as for me I am just okay.

My name is Buumba Mukonka. I am a grade eight pupil at Shikoswe Basic School. I almost go to the center to study with my friends. I am an active member of AEP. I am 17 years of age.

My father passed away in 2000. Life has been hard for the family to support me, I live with my elder sister there are eight of us in the family, I have four brothers and three sister and I am the seventh born.

Next year I will be in grade nine so I am kindly asking for your sponsorship because I have no one to sponsor me since my father passed away a long time ago. since that time the family has been unable to support me, nevertheless I know about the Amos Youth Center and the one who showed me is charity.

My last words but not the least is that may the spirit of our Lord Jesus Christ be with you all amen.

-Yours Faithfully,

Buumba Mukonka.
