African Education Programme,
Dear Sir, RE: APPLICATION FOR SPONSORSHIP

I am a Zambian male aged 20. I graduated from high school in 2007 and got a place to study at the University of Zambia. I applied for financial aid and was only given 50%. I failed to raise the other 50% to pay for my tuition fee as I am a double orphan and my aunt who had a heart for my education, who had been helping me in my education from grades nine to twelve is now unable as she is in illing health and can not do any bussiness to pay for my education costs.

I would be very grateful if you considered my application as you are my only hope.

Yours faithfully,

OBBY MAKONDO.
