Dear A.E.P

R.F: APPLICATION FOR SPONSORSHIP

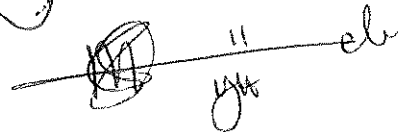

I am a youth aged 17 years by the name of WILLIE Simatende. am Zambian by nationality. Am doing my grade 10 at Naboye high school.

Am applying for sponsorship from the A.E.P due to certain reasons one being: My mother and father seperated and my father stopped sponsoring us thus me and my young brother. My mother does not work and that makes it difficult to pay some of the expenses like school fees extra.

The reason am applying for sponsorship is to reduce some of the expenses and that I can complete my education and live a better life.

I would like to became a chemist and an inteprenure so that I can raise funds and help others too. Your response will be highly appreciated.

Yours, Faithfull

WILLIE simatende.
