Ref: APPLICATION FOR SPONSORSHIP

I'm Angela Mayaba aged 19 and I'm here by applying for sponsorship as stated in the reference. I sat for the School Certificate and G.C.E examination last year at Waboye High School. I like Mathematics and Sciences and that's the reason why I want to study anything related to these subjects.

I applied at Everlyn Horne College for pharmacy, Human Resource and Diploma in Computers. And I also applied at NIPAD for Accounts. I'm waiting for acceptance forms which will be out anytime before December. I also want to apply for nursing at any nursing college. I want my dream to come true and that's the reason why I'm asking for sponsorship. I believe nothing is impossible to do. And if others have done it, then, I will do it best. I will be grateful if somebody were rendered sponsorship for me to pursue any course among these that I have applied for. If somebody render help, then I will be able to go to college next year, January intake at any of these colleges. And have a bright and wonderful future.

We are eight in the family and am the fourth born. It's a family of five girls and three boys. My father died when I was in grade four. Mum is a subsistence farmer, she grows crops for home consumption. And sell some maize in order to raise money for school fees. Nobody had gone to college level in my family because of lack of money. Please, help me go to college so that I can help my family.

I started work at Amos Youth Centre, I cook for the youths at the centre and make sure that everybody has eaten before going to school. I make sure that the centre is clean and the library books are in order. And records in the books those who have come in the registration book and those who get books. I'm also in charge of the baby class at the centre. I teach children how to read and write. I really thank you for bringing the centre at our exposure because we are benefiting in all areas of our lives. May God bless you abundantly.

In conclusion, I will be grateful if my application is put into consideration. Keep it up with the spirit of charity, may the good lord add more fortunes in your lives.

Yours Faithfully,
Angela Mayaba
