

APPEAL FOR SPONSERSHIP

I am Kalizya aged 15yrs I am staying with the younger sister of my mother, we are six in our family I am the fourth born, Both my parents past away in 1993. Since then I have been kept by the same sister. But since when my parents past away life has not been easy for me. My ^{Auntie} sister does not work so she cannot afford to pay for school fees for me. So this is why I am writing this application for sponsership from you. If you are not going to sponsor me my entire life will be doomed.

I want to be a nurse, so I need support from you so that I can achieve my goals. In December I will be writing my exams so I am asking for your sponsership for next year 2008 and I can promise you I will make it to grade 10. please I need your support you are the only parent who can help me. My ambition as I have already said is to become a nurse so help me so that I can fulfill my dreams.

I am the member of amos youth centre Kasze Zambia.
