APPLICATION FOR SPONSERSHIP

My name is Monda Nyamba. Am a male aged 17 years old doing tenth grade. I am a double orphan. I stay with my grandmother. My father died when I was in grade 6 and my mother died when I was in grade 7. We are five in our family. I have two sisters and two brothers I am the second born in our family. My grandmother is a business woman but she can not afford to pay for our school fees.

I have been in a sponsorship for 2 years. Next year I will be in grade 11, and am looking forward ^{someone} who can continue sponsoring me for my remaining grades.
