RE: APPLYING FOR SPONSORSHIP

Dear Sir / madam:

my name is everisto Walumba.  
~~am~~ I am doing grade 9 at Kansenge basic school.  
and my parents passed away in 2004 when  
I was doing my 5<sup>th</sup> grade I'm currently stay  
ing with my Auntie who has got many  
responsibilities with a low income, and she  
has fallen short of funds for my further  
studies as the above reference state, I am  
appearing to you for year and because the  
concern about my continuation of school  
covers me with the learning tenth grade where  
there many expenses required. I am worried my  
guardian may not meet these expenses on time  
and it may cause me not to continue my  
school because she has also the children  
to look after

once again appeal for your intervation  
in my situation, your consideration and  
responses of this application will be highly value  
and priceless.

yours faithfully  
Everisto
