Dear Sir/Madam

I'm here by applying for sponsorship as stated above, the reasons why I am asking for someone to sponsor me are very simple, as I said in the beginning that I am a double orphan and I can't manage paying for my self. For I have come to know that education is the key to success so if I am not educated all my dreams will be demolished.

If I will not be sponsored, then I will remain in the streets and my education will end there.

I will be glad if my application is considered.

Yours

Faithfully
