Dear Sir / Madam,

RE: APPLYING FOR SPONSORSHIP

I am a Zambian male aged 21 years, I am a member of Amos Youth Centre and Sponsored Student by A.E.P executives directors. In refer to the subject above, I am hereby applying for sponsorship to go to St. Ambros trade school.

IF I am given an opportunity to go and study at St. Ambros it will really help me in terms of knowledge expansion as well as find a job. In our country it is very difficult to find a job, if one is unskilled and it is for this reason that I wish to be skilled and the sponsorship of A.E.P. My parents died and my grandmother doesn't work so she could not pay even from grade 10-12, so it means that she cannot take me to college as what you used to pay at school is less than what would be needed for me to go to college. It is for this reason I am applying for your good sponsorship.

I am looking forward to hear from your response and I will appreciate a lot.

BENARD NYENDWA
