Application For Sponsorship.

I'm here by applying for Sponsorship as stated above. I'm a male member of Amos youth Centre currently doing grade ten at Naboye High School.

I'm one of those students who are good in the following subjects at Amos youth Centre i.e Mathematics, English and all the Sciences.

I will be glad if my application is granted, for I know that without education life is meaningless.

May I be allowed to thank you in advance.

Yours

Faithfully
