

REF: APPLICATION FOR SPONSORSHIP

With referre to above for this statement, I would like to apply for Sponsorship. I am Gladys Mulenga age of 19 years old, I completed my grade twelve this year at Naboye High School.

I stay in Kafue Zambia with my aunt, and we are 12 in my family. My aunt has three childrens one boy and two girls. Right now my aunt is not marriage she's divorced with her husband I thank her because she made me to be sponsored ~~at Amos~~ to African Education programme. I have been sponsored at Amos youth centre from grade ten until I have completed my grade twelve this year. I am thanking AEP to sponsor me at this time until have find my self at the end of grade twelve, am very grateful. Because if I was staying with my mum I could have get marriage because its in the village were by they don't know the goodness of being Educated child them they only think of getting marriage and start giving them grand childrens without gon to school. For this matter, am here is, that, their is the Courses which is at ST AMBROS TRADE CENTRE COLLEGE and this courses can be done as you are waiting for the result. Among of this courses I have find one which is am ^{more} ~~very~~ interested in it. And the course is ~~TECHNICAL~~ INFORMATION TECHNOLOGIST (COMPUTER STUDIES). I feel that I can do this course and it can help me in so many ways intermes of getting a job. This days in here african if you what to get a very good job, you have to know how to opperate a computer as a girl child. I will be very happy to be sponsored again. When doing this course if I am accepted I would like to be in boarding. For this reason is that, when I go into boarding it can be better for me to study because their no much confusion. When ~~that~~ ^{I am} ~~are~~ at home I can not study well because we are too ~~many~~ main in the house, and I cant not afford the transport everyday going and coming back when am in boarding it can reduces some expence of money and on the way their accidents which happens. I will be very happy if I will be in boarding please.

I will be very thank full if my application for sponsorship will be considered.

Yours Faithful

GLADYS MULENGA.
