Dear Sir / Madam.

RE: APPLICATION FOR SPONSORSHIP.

My name is David Mubiana, I am 11 years old and I am doing grade 7 at Shikwase Basic school. Next year I will be in grade 8.

I am an orphan and I need your help. I am staying with my mother who is not working and it's difficult for her to pay my school fees. I am interested in your organisation which is helping so many people. You teach computers, you have a lot of books for us to gain knowledge you teach about pandemic disease known as AIDS which is affecting our country. This really gave me interest to join your organisation because education ^{lead} us to success.

Your consideration will highly be appreciated.

Yours faithfully
Mubiana David
