

Dear (AEP)

R.E.F. APPLICATION FOR SPONSERSHIP.

I am a Zambian citizen aged 17. I am doing grade eleven(11) at Kafue Jay High School. I come from a family of seven people, four girls and three boys. I am a single orphan, my father passed away in 2000, am being kept by my mother. I became a member of the (AYC) in 2007. I was sponsored in grade eleven by Mr and Mrs Kings (Rob and Holy).

With the above mentioned reference, am here by applying for sponsorship in your organization. I want to complete my school so that I become a responsible citizen and help my fellow orphans around the world. I can not achieve my goals without education. Education is the key to every thing. Please I need your help. Your kindness will be highly appreciated.

Yours faith fully
Smart Lungu.
