

Dear

Greetings to you in the name of Jesus Christ our waiting messiah. How are you by this lovely moment? Back to me not so bad,

I'm a girl aged 15 years. I'm at Sunshine basic school doing my grade eight, next year I will be in grade nine, I am willing to finish my education, but I have ^{one} ~~no~~ problem I don't have anyone to ^{support} ~~spare~~ me in my education.

I live with my mother and my sisters. We are five in our family. I am the first born, we ~~have~~ ^{are} four girls and one boy. My mother can't afford to support me in my education. My hobbies are singing, making friends, reading and writing. When I grow up and finish my education I want to become a Scientist. My favourite subjects are Civics, English, ~~math~~ ^{religions} education and science. I want to complete school so that I can take care of my sisters. Hear more in my next mail.

Yours

Faithfully
