My name is Obenson Simunza. I am a boy aged 17 yrs and I am doing grade 10 at Naboye High School. And I am a very intelligent boy.

I am asking for the sponsorship, reason is my parents are not working and they find it very difficult to raise money for school fees and other things. I am asking for sponsorship so that I can finish my education and help others in future. And after my education, ^{and} may even finish my college.

I will be very happy if you consider my request.
