Dear REF

It would have been so hard for me to reach this standard without your tender support. How are you all doing that side. I hope you are under God's care as for me here am doing fine. The main aim of writing this letter to you is that am kindly asking you to sponsor me this coming year there are many things a person can cry for but only education through your sponsorship is what makes me going. Your help is my life and I don't even know how to appreciate God alone watches you and may the Grace of him be with you all the days of your lives. Be blessed.

yours  
Sincerely  
GRACE MASEKO
