

AFRICAN EDUCATION PROGRAMME (AEP)

Thank you very much for the programme you are doing in helping most African children in education finding people to sponsor them in school, helping the vulnerable in the society,

I am Mweya Mark Masaiti 17 year old boy. I am doing my tenth grade at this moment I am kindly asking for a sponsorship next year in 2010. Because my uncle is out of employment, your kindness will be well appreciated

Thank you once again -

Yours Faithfully
Mark Mweya Masaiti
