I live with my grandmother who does not work, my grandmother has been the one taking care of me this is very hard for her and the all family. As for me next year I want to go to college and it is impossible for my grandmother to pay for my fees it is for this reason that I write this letter. My future depends on the outcome of the course I want to do. I will be grateful if you can sponsor me to complete the course.

yours faithfully,
