## Application for Sponsorship

My name is Monica Mfula. I am 14 years old. I am not an orphan. I am in Grade nine at Kasenje Basic School in Kafue.

The reasons why I want to be sponsorship is that I want to be educated but due to financial limitations as result of being vulnerable it is because my father can't afford sponsoring because of being so many in my family and he is the only one and my mother does work. She is just a house wife. When I finish school I want to become a lawyer or a doctor.

That why I need the sponsorship from you because I want to fulfill my dreams of becoming somebody in ~~life~~<sup>future</sup> life.

your consideration will be good  
yours

faithfully  
M. Mfula.
