

Dear AEP

I greet you all in the name of our good lord. as for me am ok.

Am Purity mangao, am doing my grade nine at Kasende basic school. am a single orphan living with my mother who is not working. my father passed away in 2006. it is very difficult for my mother to support me at my area of education. therefore am writing this letter applying for sponsorship from AEP. I will be very happy if will assist me with sponsorship next year. by that time I will be at high school. I will highly appreciate if you sponsor me next year because I will be the second one in my family to reach high school. may the good lord richly bless you for the wonderful and great job you are doing.

Yours with respect

Purity
