Dear AEP

My name is Mweto Mwila am doing my grade nine at Nangongwe basic school. I am a double orphan aged 14, I live with my grandmother in Kapue estates who runs a small business of selling vegetables.

Am applying for sponsorship next year from Amos youth centre. I am a well behaved girl my hobbies are singing, dancing, reading, going to church and having fun with my friends.

My dream is to be educated, and when I complete I want to study economics. and take care of my family

I will be very grateful if you will agree to give me another sponsorship next year and I promise to work extra hard in school. I also want to thank you for sponsoring me this year and may God bless you.

yours

Faithfully
