

APPLICATION FOR SPONSORSHIP

Dear sir/madame

My full name is Elphar Munsaka. I stay at house number K.V005 in Kalynda view compound in Kafue. I am a grade 7 pupil at Shikogwe Basic school here in Kafue. I am the sixth (6th) born in our family of (5) boys and (2) girls. My father Vincent Munsaka ~~is~~ was involved in a terrible industrial accident on 27th July 2003 (5) years ago. He is now a full disabled man with one arm fully amputated right from the shoulder. My mother is martha Munsaka. she is also a sickling with a persistent backache since 2004 October. As such, my family has a big problem to survive.

It is for this reason that I, Elpha have decided to look for someone to come in with a quick move of saving me from being denied a chance of sitting for 2008 Exams which are beginning next week on tuesday 4th November 2008. I have been told to stay away if I don't pay fifty thousand ^{kwacha} school fees, and another ^{kwacha} twelve thousand ^{kwacha} for ~~an~~ Identity Card.

please assist me, please
